Dear friends, supporters and users of the Eruv,

We are delighted to be able to inform you that the pedestrian bridge from Red Road into Parkfields has now been reopened and the Eruv poles have been re-installed.

Subject to the regular Friday checks, the Eruv will return to its original route from this coming Shabbat. To view the Eruv map, please visit: <http://www.eboreruv.org/map.asp>.

We would like to take this opportunity to remind you that the picnic table near the playground in the park is OUTSIDE of the Eruv.

We are very grateful to the contractors (J Murphy and Sons Limited) working on behalf of Network Rail, who went out of their way to help us maintain the integrity of the Eruv during the bridge works.

Whilst writing, we would like to bring your attention to the upcoming 5th Anniversary of the Elstree & Borehamwood Eruv. Shabbat 27/28 November will mark 5 years since the Eruv came into use. We are sure that you will all agree that the Eruv has transformed Shabbat in the community. If you have not yet taken the opportunity to become an Eruv supporter, there is no better time than now! The Eruv can only survive with the full support of the community. To donate, please visit: <http://www.eboreruv.org/donate.asp>.

Yours faithfully
